About Us

We are MED Group PK. A leading advisory, tax and assurance firm, committed to building long-lasting relationships and helping you win now and count on tomorrow since 1984.

Our more than three and a half decades of experience and MED Group PK affiliation that gives us access around the world

We have only one agenda: **Yours.**

Service beyond numbers

We envisage being a firm known and established for our principled and honest business practices.

To utilize our broad technical expertise and deep local market knowledge and conduct business with integrity while striving to make a mark in Financial, Corporate & Management, HR, and Information Technology consultancy sectors.

To be a good corporate citizen by fulfilling our social, moral and professional responsibilities.

To encourage networking and mentoring opportunities to build and leverage relationships that benefit individual and firm growth and build strong client relationships.

We sift probe each industry for greater contextual understanding to allow for more illuminating conversations and precise solutions.

With an abiding sense of responsibility for our clients, our colleagues, and the future, we're committed to delivering the highest level of professional integrity.

Our client-centric approach is grounded in our strong industry perspective and desire to deliver unparalleled client experiences.

With a rare blend of inspiration and technical excellence, we empower our clients to discover and claim the future.

We enhance your experience by responding quickly with innovation and specialization through collaborations with global consulting.

We are committed to the professional and ethical standards set out by the Institute of Chartered Accountants of Pakistan and are bound by confidentiality.
